

International Email/Fax Address Verification Service Request Form

Chase Paymentech merchants should complete the below fields and submit this form to our Merchant Services team to request address verification responses for international MasterCard and Visa accounts. PGP encryption is required for email. A response will be provided by the end of the third business day.

Email: merchant_services@chasepaymentech.com

Fax: 603.896.8715

Cards issued in the United Kingdom can now be verified using our Voice Authorization Interactive Voice Response (IVR) system; call 1.888.706.1526. Reference the European Voice Authorisation Instructions on [Paymentech Online](#) for additional information.
