# Introduction

This section of the User Guide is designed to help you understand the Reason Codes for the various networks that you receive with Retrieval and/or Chargebacks. Information for each reason code may include:

- Reason code number
  - Reason code description
  - Time frame for initiation
  - Type of chargeback
  - Dispute description
  - Special notes (if any)
  - Required issuer documentation
  - Representment rights/Merchant action
-

# Retrieval Reason Codes

## Visa and MasterCard Retrieval Codes

---

You will find the Retrieval Reason Codes on both the Tier 1 and 2 screens in the Online Chargeback Management Application. These codes are established by the card associations to categorize the incoming retrieval requests by reason.

The codes also appear on financial reporting associated with Retrieval Requests.

Visa Code	MasterCard Code	Description
	05	Cardholder does not agree with amount billed
27	43	IIAS Healthcare Retrieval Request
	21	Cardholder does not recognize transaction (merchant name, city, state or date)
	22	Chip transaction request
	23	Cardholder needs for personal records (tax record or business expense)
28		Cardholder request for copy with signature
30		Cardholder request due to dispute
33	41	Fraud analysis request/fraud investigation
34		Legal process request
	42	Potential chargeback/compliance

## Discover Retrieval Reason Codes

---

Below is a list of the Retrieval Codes established by the Discover Network.

Reason Code	Description
01	Transaction Document Request
02	Transaction Document Request T&E
03	Transaction Document Request Due to Cardholder Dispute
04	Transaction Document Request for Fraud Analysis
05	Good Faith Investigation

*In the event that a merchant does not respond to a ticket retrieval request within 21 days, a chargeback may result and it cannot be represented.*

<b>Reason Code</b>	<b>U03 – Processing Error – Fraudulent Transaction - This reason code will be retired effective 4/13/2013</b>
<b>Chargeback Type</b>	Fraud
<b>Dispute Description</b>	Cardholder disputes the validity of the transaction due to fraud and the response provided by the merchant indicates that the transaction was not completed in compliance with Discover operating regulations and where the dispute cannot be categorized under another fraud reason code.
<b>Timeframe to initiate Chargeback</b>	120 calendar days from the date of the transaction
<b>Representment Rights/Merchant Action</b>	Follow your in-house procedures. If credit was previously issued, submit a rebuttal to the chargeback department detailing the amount and the date of the credit; otherwise accept the chargeback and follow your in-house collection procedures
<b>Issuer Required Documentation</b>	None
<b>Special Notes</b>	This reason code would typically result from a response to a ticket retrieval request which did not show evidence of a valid authorization response, AVS or CID at the time of the transaction. The ticket retrieval request was initiated due to a fraud claim by the cardholder.
