Code 10 - Possible Fraudulent Transactions:

At retail locations, the following circumstances require a "Code 10 Authorization:"

- » No magnetic strip on the credit card.
- » No signature on the card.
- » The signature on the card does not match the signature on the sales slip.

If, for any reason, you are suspicious of a customer, transaction or any of the above circumstances, you must:

Contact the voice authorization center, press **6** and follow the Code 10 instructions.

Below are instructions for obtaining an authorization from a touch-tone telephone.

- 1. Enter Transaction Division Number.**
Enter your complete Transaction Division Number. Press the # key.
- 2. Select the Transaction Type.**
Select the appropriate transaction type.
- 3. Enter Card Number.**
